

PHOENIX NEWS

Established 1977

Meet the Teacher Evening

Please ensure you attend this important event on **Thursday, 12th September at 6pm**

Further details will be sent home in due course.

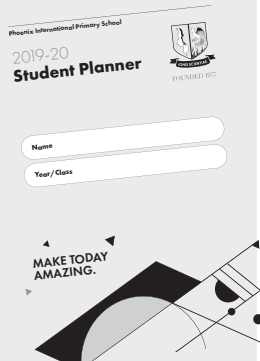

The **Phoenix Parents Association** will also hold their **AGM** on the same evening. If you would like to volunteer to serve on the main committee or be called upon to help throughout the year, please stop by the office and complete a volunteer form.

Student Planners

The students received their 2019 - 2020 Phoenix Planners today. Please

take some time to review the contents of the Planner with your child and sign the Acceptable Use and Home-School

Agreement located at the back of the planner. The Phoenix Planner is the best way for you to stay in communication with your child's teacher. Please endeavour to sign and check it each day to ensure your child stays organised and makes the most of each day!

Welcome back!

Welcome to a new year at Phoenix School. The Phoenix family would like to welcome new students to the school and returning students from an enjoyable and restful break.

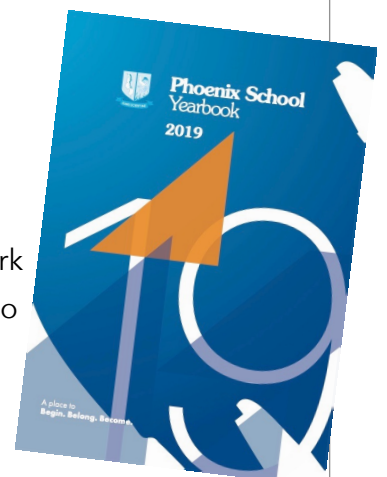

We have a number of exciting events coming up this term, with inter-school sports and Phoenix Parents Association functions.

Road works continue in front of the school. Please take extreme caution when coming and going from school. We will advise parents, to the best of our ability, to new traffic patterns once the works near completions.

Please note that the **term calendar dates have been sent home today along with afternoon activity forms. Please return the afternoon activity forms to the office by Friday, 06 Sept.**

2019 Yearbook!

Your child also has received today their copy of our fantastic 2019 Yearbook! Thanks go to many members of staff for all the hard work put into it! Particularly to Sonia Paulo for photography, Gill Knox for editing and Miguel Paulo for the beautiful design work!

For future reference, please review our Health Guideline for School Attendance on the back of this newsletter.
