

### Phoenix Term 2 Sport Update

Phoenix swimmers did us proud at the Interschool Swimming Gala in Lilongwe, placing second overall in the individual races. Sadly heavy rain stopped the gala part way through leaving not enough time to compete with the relays. Our Liyani swimmers and our swimming coaches also participated in the Malawi National this weekend in Lilongwe bringing home a lot of medals!

The Phoenix Netball and Rugby squads have been practicing hard for the Interschool competition coming up on March 18 in Zomba. So far we've played friendly games against Hillview, SAIPS and Blantyre Girls. We have the Interhouse Rugby and Netball tournament coming up where children from Years 3 to 6 will be playing for their house teams. Parents are welcome to come and support their children at these events.

All our children from Nursery to Year 6 are busy preparing for the Interhouse swimming galas and splashes. Everyone has made great progress in the pool this year and can't wait to show off their new swimming skills to Mums and Dads.

Dear Parents

Term 2 got off to a shaky start with a return to online learning, but we soon bounced back to the classroom and the term is whizzing by.

Our Year 5&6 children are busy with the final rehearsals of their musical production Treasure Island. Our first performance for Phoenix children is on 13 March with other schools watching on 14 March and night performances for our families and friends on March 15 and 16. I hope you've bought your tickets as they are going fast.

We have assemblies, sporting events and field trips all planned for the next few weeks. Please diarise the dates below. We would love to see you at our upcoming events.

### Upcoming Dates

- ◆ 15 & 16 March Treasure Island 6:00 pm
- ◆ 18 March Interschool Netball and Rugby
- ◆ 24 March Reception K Assembly
- ◆ 27 – 31 March Swim Week at Phoenix

Two little speckled frogs & the lifecycle of a frog

February was all about Love and the five international love languages. Children learned about the different ways they can express their love and we had some fantastic entries in our Love Poetry Competition.

March is all about CONFIDENCE—having the confidence to perform in a musical, to swim in a gala, to compete in a tournament, to share ideas in class, to read out loud to a sibling, to be happy and confident with who we are.
